Note: Ballots that do not represent a valid choice are treated as illegal, and they should be counted as a vote cast, but should not be attributed as either "for" or "against." Unclear ballots can be treated as illegal, if they would not affect the outcome. However, if they could have an effect on the outcome, they should be reported to the chair, for the assembly to decide how they should be counted. Blank ballots are not counted at all, and should not be counted as a vote cast.
